Reported for: Shill bidding

Status:	Reported
Report received:	2026-08-24
Report generated:	2026-10-10 16:41 UTC

This is a public conduct record. Entries identify a marketplace handle and its platform only. They contain NO personally identifying information: no legal name, no address, no contact details, and nothing about who filed a report. Every entry is a report backed by what was checked, not a verdict, and any entry is corrected or removed if it does not hold up. A handle can dispute its entry at any time.

Findings and evidence

2 observations across 1 dated section. Sources that did not corroborate the report are shown too, and labelled as such.

CORROBORATING SOURCE

TikTok live VODs and screenshots on file

This seller was reported for shill bidding on TikTok live auctions, based on a bidder account the reporter described as placing bids only when prompted by the streamer, a pattern the reporter flagged as consistent with shill bidding. Shown here as reported. This is a report, not a verdict.

CORROBORATING SOURCE

The reported account

The public TikTok Shop account for this seller.
